Welcome to Sikerei's world, we want to present you our new Limited Edition "Trinidad 1969" for collectors and connoisseurs to commemorate the 50th Anniversary of the Trinidad brand.

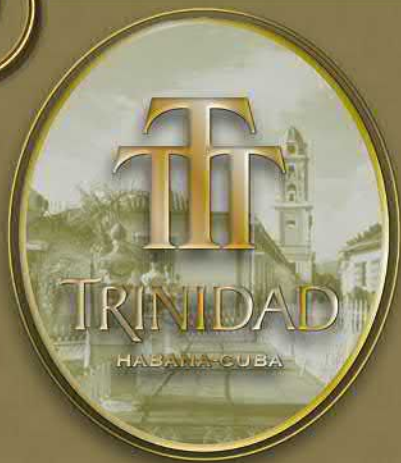

Trinidad was born in 1969 in the same place of Cohíba cigar: "El Laguito" factory, with only one vitola named "Fundadores" and used for the Cuban Council of State as a gift to monarchs, prime ministers and presidents. Trinidad was presented to the world in February 1998 finally.

Trinidad is a tribute to the village "Santísima Trinidad" settled in 1514 in the middle of the island and its represent the Cuban tradition. For that reason, we kept a traditional design for the humidor but if you dig into the history of the brand you will realized that our proposal is the first humidor in the market produced with the colors of the brand and a metal plaque on top.

We produced only 100 humidors with a size of 390 mm length x 275 mm depth x 185 mm height and a capacity to store more than 50 cigars depending on the vitola. They were made of cedar, poplar and Okume wood and included humidity control system.

We wish you a pleasant enjoyment of our product.
